Dear Parent/Carer,

Revision Residential Trip 7th – 9th February 2025 Colomendy Outdoor Education Centre

We have great pleasure in confirming that we will be hoping to run the above mentioned trip next year. This revision residential will precede the countdown to the final GCSE exams the students will complete a range of outdoor education activities focussing on overcoming challenges and building their resilience and confidence. In amongst these activities the students will attend revision skills and subject based revision sessions with additional time in the evenings spent on team building activities and culminating in a live performance.

This is a 2 day residential visit to Kingswood outdoor education centre in Dearne Valley. During the weeknd the students will be involved in outward bound activities each day these include: Zipwiring, high ropes, climbing and abseiling. All food, activities and specialised clothing will be provided during the trip. An example kit list is attached and the centre facilities can be viewed [here](https://www.kingswood.co.uk/locations/dearne-valley)

The cost of the trip is £100. If you would like your daughter to attend, please complete the reply slip and return it together with the first instalment of £40 via parentpay or cash to the finance office in school, **no later than Friday 27th September 2024**. The final balance of £60 would be required by Friday 26th January. Given the proximity of the visit to Christmas we are happy to discuss an extension to the payment schedule should this be required.

If your child has an SEND need, authorisation for their attendance on the visit must be approved by Mr Lloyd (SENCO) before a place can be confirmed. This is to ensure we can safeguard and facilitate your child's need.

If you have any questions or would like any further information please do not hesitate to contact me at the school.

Yours sincerely,

Mrs E Martinson
