... the level of care you provided for my daughter ,and our family, has been second to none!

... You gave me back my daughter - thank you!

... my school teaches me to respect people from other backgrounds and to treat everyone equally; it's one of the best things about Newland

NSG

and every parent is welcomed

We chose Newland because it had a really friendly feel at Open Evening and my daughter felt at home when she visited...

I felt my daughter would be looked after...known and not just a face in the crowd at a big school

NSG

We care for each other

“Students show respect towards one another and adults and are supportive of one another. Their actions reflect the school’s caring ethos, which makes a strong contribution to their personal development and well-being.” Ofsted

Welcome to Griffin House.

Our figurehead, the Griffin, is a symbol of leadership and protection, values our house lives by. Ancient Greeks viewed Griffins as the **kings** of their realms, and took on the **limitless** power and **majesty** of its two halves.

As head of Griffin House, I feel very proud, excited and enthusiastic to be a part of a great set of students and staff who are keen to ensure we win the **overall house cup again** this year in their quiet, determined way.
